

REEL CANADA Content Advisory Chart

MIGHTY JEROME

Mighty Jerome is a touching documentary about well-known African-Canadian athlete Harry Jerome, and his rise, fall and redemption as a track and field all-star. A truly inspiring Canadian hero, Jerome kept running through years of personal, racial and political challenges, with a strength of character as impressive as his athletic ability. There is very little controversial content in this film and we would consider it both educationally valuable and appropriate for all high school grade levels.
