REMEMBER

Due to mature subject matter, this film is restricted to grade 11 and 12 students only.

Remember is about nursing home resident and Holocaust survivor, Zev, who sets out to exact revenge on the man who murdered his family in a concentration camp seven decades earlier. Zev suffers memory loss but through a letter crafted by his friend Max, he is able to continue his mission while trying to remember his goal. Because the film deals with mature themes and depicts violence, we recommend that this film be restricted to grade 11 and 12 students only.
